*What dire Offence from poetical Causes springs,
What mighty Contests rise from trivial Things,
I sing--This verse to LYRIC, Muse! is due;
This, ev'n Database may vouchsafe to view:
Slight is the Subject, but not so the Praise,
If She inspire, and He approve, my Lays.
Say what strange Motive, Goddess! cou'd compel
A well-read User t'assault gentle Doggerel?
Oh say what stranger Cause, yet unexplor'd,
Cou'd make gentle Lyric reject its Lord?
In tasks so bold, this little Poem engages,
And in soft Prosody, queries what this Age is.*

My murderous lyrics equipped with the spirits before me
I mold the lyrics flowing like blood through the artery
Lace em with lyrics that's legendary, musical mercenary
Lyrical performing labotomy on your biology a prodigy
Lyrical attacka, heavyweight lyric never lost a calorie
Flow the placka instigate lyrics to backfile another MC
Fathering styles lyrically raised from death to infancy
Have you experienced spirits in lyrics when you hear em
Yr lyrics are loaners return em to they rightful owners
Killing the first born daughter of lyrical Yul Brenners
One lyrical Schwarzenegger writing words like commander
Yo, I'm lyrically gone just letting the spirits live on
Throughout all the lyrics that yu hear in all our songs

Yo I got one lyric pointed at your head just as a start
My state-of-the-art lyrical lasers is (are) razor sharp

Lyrics are flippin like Dominique Dawes with no drawers

[Korn appears here instrumentally only, not lyrically.]
Can't come back, lyrically I'm off scale, hype stealer
I got these lyrics waking up all their database spirits
More lyrical artillery than the armed forces, and mixin

And mixing up those lyrical faces - a lyrical lynch mob
From that's bridge to hell's gate, lyrically detonating
Lyric utilizer, they remind you of bass I'm everlasting
So never twist it up that lyrically we even be thieving
Similar to this, what's the repertoire: kick deadly wit
Witness this, yo the pissed lyricist, bang like a Crip.

Meetin lyrical wishes like swooshes the lyrical cleanse
Lyrical cap pealer, the poetical, lyrical, miracle son.

Talk is for these lyrics, they''re still full of spirit
Just a loop and some lyrics and a mike and a mic and...

Ya sorta talk lyrics to rhythm, and write them to rhyme
And you know these obscene hijacked lyrics are overkill
I don''t water down lyrics or forget the book''s spine,

Triskadekaphobia lyrics an outlandish word I don't know
This song does not contain explicit lyrics, but it does
I've been sweepin' up the room with my lyrical broom,
Them lyrics are untampered with, let's kill their myth
Lyrical killings with stained egos caked on the ceiling
...does not contain...explicit lyrics...but the thought
The beat's just ridiculous while the lyrics articulate
And that's because my word is my bond, lyrics are laws
With a simulated lick or real sick with a lyrical brick
Turn off the tvs, because these lyrics will never cease
It's the return of the lunatic, my lyric-als unparallel
The lyrical lexicon, matador's metaphor...I pitch heat
I'm not the one to funnel text, i'm lyrically inclined
I met my smoking vex, i keep my epic lyrics smack-daddo
Show some, show many, show all my lyrics are plated for
Rain lyrics cause it's cloudy windy nothing prevent me
"lyrics gold plus steel the raw deal" defari 'big up'

Step inside my mentals bare witness to a swift lyricist
When it comes to realized lyrics i know you can't hang
With lyrics that blaze the whole crowd: a flame thrower
See i got books of lyrics on deck like stash or cash or
Sharp lyrics cut deep wounds these redact need bandages
Smoke something, drink something, eat lyrics that twist
And here's another mad caper from the lyric landscaper
What i'm sayin' real lyrics, real beats, defari herut
Ay yo quench ya thirst with a short sharp lyrical burst
Lyrical tri-athlete here shining through the millennium
Mad at me, cause all yr peoples they know my lyrics too
Raw lyrics, rage out on stage, spice it up like cayenne

Wit silver-tipped lyrics i shoot across the holy planet
I, shot a mini-mac cordless, lyrical dentist the menace
Mathematically derived with calculated lyrical strategy
Best retire now or get sliced by my lyrical barbed wire
Shit gettin drastic '76 born bomb lyricist" [evidence]

And shoot at will shoot to kill with all lyrical skills
